We follow no creeds or dogmas except that which is found within the pages of Scripture. We derive our worship practice from the traditions of the apostles. We try to live and love as Jesus. We believe that Jesus died, was buried, and resurrected to give us new life and salvation.

We access God's grace through our faith, repentance, and baptism.

We walk by faith helping others, we love God, and desire to stay committed to the end, when Christ Himself will take us home to heaven.
